NOTICE

This is for the information of the existing 1st and 3rd Semester Under-Graduate Students of West Guwahati Commerce College that 75% attendance is a must for appearing in all the final year Examinations as per Govt. and University norms. However, it has been noticed that despite repeated calls many students have not responded to the call of the authority. Under such circumstances, the college authority after intensive discussion with the Academic Committee of the College has taken the following decision.

1. Students, whose class attendance is less than 30% in the August, September and October Months, 2025, are to attend 100% classes in the month of November, 2025 or till the last day before the commencement of the semester examinations.
2. If any student violates this decision, such students will not be allowed to appear in the respective 1st and 3rd Semester Final Examinations even after they fill online forms and pay fees to the University.
3. Issuance of online admit card for the examinations does not mean that it has the approval of the college.
4. In no circumstances students, who fail to comply with the decision of class attendance, will be allowed to appear in the 1st and 3rd Semester examinations.
